

## tumbletalks

### Ruhrtriennale Artist Talks

Every Sunday during festival season  
Museum Folkwang, Essen

tumbletalks aren't about enlightenment, entertainment, or advertisement. They seek to create an uncontrolled economy of attention where the boundless conversation, the permissible lack of focus, or the untold story can lead to a surprising shift in perspective. They are 'oral sessions', which the audience can participate in creating as a society that is always addressable.

**tickets** — 5 €

Partly in German.

**talk 1** — August 17, 12 a.m.

Louis Andriessen / Heiner Goebbels

**talk 2** — August 24, 12 a.m.
